

Preliminary Program

Basic Science Workshop	Clinical Research Workshop	Public Health Workshop	Special Interest Satellite Symposium (SISS)	Interdisciplinary Workshop
Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Public Health Oral Abstracts Session	Networking Events	Plenary Session
	IPVS Special Session	Early Career Researchers	Industry Sponsored Session	

Tickets available for purchase during registration

Official Conference Time Zone: Eastern Daylight Time (EDT/UTC-4) - Washington D.C.
 Updated as of September 13, 2022. The program remains subject to change.

Monday, April 17, 2023

Start - End Time	In-Person in Washington DC				Pre-recorded Content Available in the Virtual Platform	
	Hall A	Hall B	Hall C	Hall D	On Demand	
	<i>The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>		<i>The On-Demand Hall includes only pre-recorded sessions which are available for access at your leisure from the 1st day of the Conference.</i>
08:00 - 09:30		Interdisciplinary Workshop 1 Epidemiology and Basic Science of HPV Infection and Related Diseases			Special Interest Satellite Symposium 1: Therapeutic HPV Vaccines: Understanding Potential Public Health Value, Future Implementation Considerations, and Preferred Product Characteristics	Special Interest Satellite Symposium 2: Head and Neck Symposium: Can We Eliminate HPV-related Respiratory Papillomatosis?
09:30 - 10:00	Coffee Break					
10:00 - 11:30		Interdisciplinary Workshop 2: HPV Cancer Prevention: From Basic Science to Real-World Benefits			Special Satellite Symposium 3: HPV Prevention, Screening, and Treatment Approaches for People Living with HIV	Special Interest Satellite Symposium 4: Anogenital HPV Infection in Pharmacologically Immunosuppressed Patients
11:30 - 11:45	Break, Poster Viewing & Visit the Exhibition					
11:45 - 13:15	Industry Sponsored Symposium 1 - not included in main event CME/CPD					
13:15 - 13:30	Break, Poster Viewing & Visit the Exhibition					
13:30 - 15:00		Public Health Workshop 1: HPV Vaccination for Prevention of Cervical Cancer	Clinical Research Workshop 1: Epidemiology of HPV-related Cancer and Pre-Cancer in the Vaccine Era	Basic Science Workshop 1: Natural History of HPV Infection and Cancer Development	Special Interest Satellite Symposium 5: HPV-Associated Cervical Pathology: A Review of Emerging Concepts and Relevant Topic	Special Interest Satellite Symposium 6: The Role of Digital Imaging in HPV-based Cervical Cancer Screening Programmes
15:00 - 15:30	Coffee Break					
15:30 - 17:00		Public Health Workshop 2: Cervical Cancer Screening	Clinical Research Workshop 2: Recent Developments in Screening Programs for HPV-related Cancers	Basic Science Workshop 2: Carcinogenesis	Special Interest Satellite Symposium 7: HPV Self-Sampling: Increasing Screening Uptake and Reducing Social Inequalities	Special Interest Satellite Symposium 8: HPV among Transgender and Gender Diverse Individuals: Understanding the Unique Needs of the Population
17:00 - 18:30						
18:30 - 20:30	Early Career Researchers' Pre-Conference Networking Event (Pre-registration is Required)					

Tuesday, April 18, 2023

Start - End Time	In-Person in Washington DC				Pre-recorded Content Available in the Virtual Platform
	Hall A	Hall B	Hall C	Hall D	On-Demand
	The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.				The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.
07:00 - 08:30				Early Career Researchers Breakfast Session 1: 1001 Ways to Become an HPV Researcher (Pre-registration Is Required)	
08:30 - 10:00		Public Health Workshop 3: Worldwide Issues in Cervical Cancer Control	Clinical Research Workshop 3: HPV Vaccines	Basic Science Workshop 3: Exploring Targets for Antivirals	Special Interest Satellite Symposium 9: HPV Vaccine Introduction in LMIC: Key Factors in Global and National-Level Decision-Making, Implementation Lessons Learned, and Evidence for One-Dose Use
10:00 - 10:30	Coffee Break				
10:30 - 12:00		Public Health Workshop 4: HPV-Related Cancers Outside of the Cervix	Clinical Research Workshop 4: New Frontiers in Treatment of HPV-Related Cancers and Pre-Cancers	Basic Science Workshop 4: HPV Genomics and Evolution	Special Interest Satellite Symposium 10: Using Implementation Science To Accelerate and Improve HPV Vaccination
12:00 - 12:15	Short Break				
12:15 - 13:45	Industry Sponsored Symposium 2 <i>not included in main event CME/CPD</i>				
13:45 - 14:00	Short Break				
14:00 - 15:30		Public Health Workshop 5: Equity in Cancer Prevention and Control	Clinical Research Workshop 5: Management of HPV-Related Disease in Special Populations	Basic Science Workshop 5: Tissue and Animal Models	Special Interest Satellite Symposium 11: HPV-Based Self-Collection for Cervix Screening: Implementation Lessons and Future Directions
15:30 - 16:00	Coffee Break, Poster Viewing & Visit the Exhibition				
16:00 - 17:30	Opening Ceremony and IPVC Plenary Session 1: Comparing and Contrasting COVID-19 Control with HPV Control and Elimination				
17:30 - 17:45	Short Break				
17:45 - 19:45	Welcome Reception (Open to All Participants)				

Wednesday, April 19, 2023

Start - End Time	In-Person in Washington DC				Pre-recorded Content Available in the Virtual Platform
	Hall A	Hall B	Hall C	Hall D	On-Demand
	The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.			The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.	The On-Demand Hall includes only pre-recorded sessions which are available for access at your leisure from the 1st day of the Conference.
07:00 - 08:00		Industry Sponsored Breakfast Session 1 <i>not included in main event CME/CPD</i>	Industry Sponsored Breakfast Session 2 <i>not included in main event CME/CPD</i>	Early Career Researchers Breakfast Session 2: Publish Or Perish: The Future of Academic Publishing <i>(Pre-registration Is Required)</i>	
08:00 - 08:30	Short Break				
08:30 - 09:30	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Early Career Researchers Oral Abstracts Session and Presentation Awards	Special Interest Satellite Symposium 12: Global HPV Laboratory Network
09:30 - 09:45	Short Break				
09:45 - 10:45	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Special Interest Satellite Symposium 13: New Guidelines for Validation of HPV Assays Usable in Cervical Cancer Screening	Public Health Oral Abstracts Session
10:45 - 11:00	Coffee Break, Poster Viewing & Visit the Exhibition				
11:00 - 12:30	IPVC Plenary Session 2: HPV Vaccination				
12:30 - 12:45	Short Break				
12:45 - 14:15		Industry Sponsored Symposium 3 <i>not included in main event CME/CPD</i>			
14:15 - 14:45	Hilleman Award <i>not included in main event CME/CPD</i>				
14:45 - 16:15		Industry Sponsored Symposium 4 <i>not included in main event CME/CPD</i>			
16:15 - 16:45	Poster Discussions & Networking in the Exhibition				
16:45 - 18:15	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Special Interest Satellite Symposium 14: Current Evidence for Safety Profile of The HPV Vaccines	Special Interest Satellite Symposium 15: What is Needed to Implement Screen and Treat Using HPV DNA Testing in Low- and Well-Resourced Settings?
18:15 - 20:00					
20:00 onwards	Free evening				

Thursday, April 20, 2023

Start - End Time	In-Person in Washington DC				Pre-recorded Content Available in the Virtual Platform
	Hall A	Hall B	Hall C	Hall D	On-Demand
	The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.			The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.	The On-Demand Hall includes only pre-recorded sessions which are available for access at your leisure from the 1st day of the Conference.
07:00 - 07:30				Early Career Researchers Breakfast Session 3: How To Pitch Your Research in 1 Minute: A Networking Opportunity (Pre-registration Is Required)	
07:30 - 08:30		Industry Sponsored Breakfast Session 3 <i>not included in main event CME/CPD</i>	Industry Sponsored Breakfast Session 4 <i>not included in main event CME/CPD</i>		
08:30 - 10:00	IPVC Plenary Session 3: Lessons Learned from Other Disease Control Programs Such as HIV, Hepatitis B and Anal Cancer Control Approaches				
10:00 - 10:30	Coffee Break				
10:30 - 12:00	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Special Interest Satellite Symposium 16: Japanese Symposium Immune Microenvironment for Cancer and Pre-cancerous Lesions, and Cancer Immune-Therapy	Public Health Oral Abstracts Session
12:00 - 14:00		12:30 - 13:30 Industry Sponsored Symposium 6a <i>not included in main event CME/CPD</i>	12:30 - 13:30 Industry Sponsored Symposium 6b <i>not included in main event CME/CPD</i>		Break
14:00 - 15:30	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Special Interest Satellite Symposium 17: HPV Integration, Gene Expression and Carcinogenesis	Special Interest Satellite Symposium 18: Blood-Based Screening Approaches for HPV-Associated Head and Neck Cancers
15:30 - 15:45	Short Break				
15:45 - 17:15	IPVC Plenary Session 4: Carcinogenesis of Cutaneous Papillomaviruses for Non-melanoma Skin Cancer Molecular and Immunological Aspects				
17:15 - 17:45		HPV Awareness Day Campaign			
17:45 - 18:00	Break				
18:00 - 19:30	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Science Oral Abstracts Session	Special Interest Satellite Symposium 19: Clinical, Biologic and Epidemiologic Evidence for Latency and Their Implications	Special Interest Satellite Symposium 20: Cervical Intraepithelial Neoplasia Grade 2 – Active Surveillance or Excisional Treatment?
19:30 - 20:00					
20:00 - 22:45	Networking Party (Ticketed Event)				

Friday, April 21, 2023

Start - End Time	In-Person in Washington DC				Pre-recorded Content Available in the Virtual Platform
	Hall A	Hall B	Hall C	Hall D	On-Demand
	The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.			The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.	The On-Demand Hall includes only pre-recorded sessions which are available for access at your leisure from the 1st day of the Conference.
07:15 - 08:45				IPVS GA (Open to IPVS Members)	
08:45 - 09:00	Break				
09:00 - 10:30	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Special Interest Satellite Symposium 21: APAC HPV Coalition & AOGIN joint session	Special Interest Satellite Symposium 22: International Indigenous HPV Alliance for The Elimination of Cervical Cancer for Indigenous Peoples
10:30 - 11:00	Coffee Break				
11:00 - 12:30	IPVC Plenary Session 5: COVID-19 Effect on the WHO Elimination Plan for Cervical Cancer				
12:30 - 13:30	Lunch Break				
13:30 - 15:00		Public Health Oral Abstracts Session	Clinical Research Oral Abstracts Session	Public Health Oral Abstracts Session	Public Health Oral Abstracts Session
15:00 - 15:15	Short Break				
15:15 - 16:15	Public Health Oral Abstracts Session	Basic Science Oral Abstracts Session	Clinical Research Oral Abstracts Session	Special Interest Satellite Symposium 23: Japanese Symposium Studies By Women's Researchers Aiming to Eliminate Cervico-Vaginal Cancer in Japan	Public Health Oral Abstracts Session
16:15 - 16:30	Coffee Break				
16:30 - 18:00	Closing Ceremony and IPVC Plenary Session 6: The Future is Now				
18:00 - 18:30	Farewell Networking Reception
