

Preliminary Program

Basic Science Track	Clinical Research Track	Public Health Track	Special Interest Satellite Symposium (SISS)
Plenary Session	IPVS Special Session	Early Career Researchers	Networking Events
Interdisciplinary Workshop	Industry Sponsored Session		Tickets available for purchase during registration

Official Conference Time Zone: Eastern Daylight Time (EDT/UTC-4) - Washington D.C.  
Updated as of November 15, 2022. The program remains subject to change.

On Demand Program

The On Demand Program includes pre-recorded content available in the Virtual Platform from Monday 17, 2023 until 3 months after the Conference dates. These sessions will have dedicated Q&A discussions during specified breaks onsite in Washington D.C.

<p><b>Special Interest Satellite Symposium:</b> Head and Neck Symposium: Can We Eliminate HPV-related Respiratory Papillomatosis?</p> <p><b>Special Interest Satellite Symposium:</b> The Role of Digital Imaging in HPV-based Cervical Cancer Screening Programmes</p> <p><b>Special Interest Satellite Symposium:</b> Cervical Intraepithelial Neoplasia Grade 2 – Active Surveillance or Excisional Treatment?</p>	<p><b>Special Interest Satellite Symposium:</b> Japanese Symposium Studies By Women’s Researchers Aiming to Eliminate Cervico-Vaginal Cancer in Japan</p> <p><b>Special Interest Satellite Symposium:</b> HPV among Transgender and Gender Diverse Individuals: Understanding the Unique Needs of the Population</p>	<p><b>Special Interest Satellite Symposium:</b> Anogenital HPV Infection in Pharmacologically Immunosuppressed Patients</p> <p><b>Special Interest Satellite Symposium:</b> What is Needed to Implement Screen and Treat Using HPV DNA Testing in Low- and Well-Resourced Settings?</p>	<p><b>Special Interest Satellite Symposium:</b> HPV-Associated Cervical Pathology: A Review of Emerging Concepts and Relevant Topic</p> <p><b>Special Interest Satellite Symposium:</b> Blood-Based Screening Approaches for HPV-Associated Head and Neck Cancers</p>

Monday, April 17, 2023

	Hall A	Hall B	Hall C	Hall D
	<i>The sessions in these halls will be held mainly in person in Washington DC. They will also be live-streamed on the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
08:00 - 09:30		<b>Interdisciplinary Workshop 1</b> Epidemiology and Basic Science of HPV Infection and Related Diseases		
09:30 - 10:00	Coffee Break, visit the Exhibition			
10:00 - 11:30		<b>Interdisciplinary Workshop 2:</b> HPV Cancer Prevention: From Basic Science to Real-World Benefits		
11:30 - 11:45	Break, Poster Viewing & Visit the Exhibition			
11:45 - 13:15	<b>Industry Sponsored Symposium 1 -</b> <i>not included in main event CME/CPD</i>			
13:15 - 13:30	Break, Poster Viewing & Visit the Exhibition			
13:30 - 15:00		<b>Public Health Workshop 1:</b> HPV Vaccination for Prevention of Cervical Cancer	<b>Clinical Research Workshop 1:</b> Epidemiology of HPV-related Cancer and Pre-Cancer in the Vaccine Era	<b>Basic Science Workshop 1:</b> Natural History of HPV Infection and Cancer Development
15:00 - 15:30	Coffee Break			
15:30 - 17:00		<b>Public Health Workshop 2:</b> Cervical Cancer Screening	<b>Clinical Research Workshop 2:</b> Recent Developments in Screening Programs for HPV-related Cancers	<b>Basic Science Workshop 2:</b> Carcinogenesis
17:00 - 17:15	Short Break			
17:15 - 20:00	<b>Early Career Researchers' Pre-Conference Networking Event</b> <i>(Pre-registration Is Required)</i>			

Tuesday, April 18, 2023

	Hall A	Hall B	Hall C	Hall D
	<i>The sessions in these halls will be held mainly in person from Washington DC. They will also be live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
07:15 - 08:15	<b>Special Interest Satellite Symposium:</b> Therapeutic HPV Vaccines: Understanding Potential Public Health Value, Future Implementation Considerations, and Preferred Product Characteristics	<b>Special Satellite Symposium:</b> HPV Prevention, Screening, and Treatment Approaches for People Living with HIV	<b>Special Interest Satellite Symposium:</b> Global HPV Laboratory Network	<b>Early Career Researchers Breakfast Session:</b> 1001 Ways to Become an HPV Researcher <i>(Pre-registration Is Required)</i>
8:15 - 8:30	Hall Change Break			
08:30 - 10:00		<b>Public Health Workshop 3:</b> Worldwide Issues in Cervical Cancer Control	<b>Clinical Research Workshop 3:</b> HPV Vaccines	<b>Basic Science Workshop 3:</b> Exploring Targets for Antivirals
10:00 - 10:30	Coffee Break, Poster Viewing & Visit the Exhibition			
10:30 - 12:00		<b>Public Health Workshop 4:</b> HPV-Related Cancers Outside of the Cervix	<b>Clinical Research Workshop 4:</b> New Frontiers in Treatment of HPV-Related Cancers and Pre-Cancers	<b>Basic Science Workshop 4:</b> HPV Genomics and Evolution
12:00 - 12:15	Hall Change Break			
12:15 - 13:45	<b>Industry Sponsored Symposium 2</b> <i>not included in main event CME/CPD</i>			
13:45 - 14:00	Hall Change Break			

14:00 - 15:30		<b>Public Health Workshop 5:</b> Equity In Cancer Prevention and Control	<b>Clinical Research Workshop 5:</b> Management of HPV-Related Disease in Special Populations	<b>Basic Science Workshop 5:</b> Tissue and Animal Models
15:30 - 16:00	Coffee Break, Poster Viewing & Visit the Exhibition			
16:00 - 17:30	<b>Opening Ceremony and IPVC Plenary Session 1:</b> Comparing and Contrasting COVID-19 Control with HPV Control and Elimination			
17:30 - 17:45	Short Break			
17:45 - 19:45	<b>Welcome Reception</b> (Open to All Participants)			

## Wednesday, April 19, 2023

	Hall A	Hall B	Hall C	Hall D
	<i>The sessions in these halls will be held mainly in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
07:00 - 08:00	<b>Special Interest Satellite Symposium:</b> Using Implementation Science To Accelerate and Improve HPV Vaccination	<b>Special Interest Satellite Symposium:</b> HPV Vaccine Introduction in LMIC: Key Factors in Global and National-Level Decision-Making, Implementation Lessons Learned, and Evidence for One-Dose Use	<b>Special Interest Satellite Symposium:</b> International Indigenous HPV Alliance for The Elimination of Cervical Cancer for Indigenous Peoples	<b>Early Career Researchers Breakfast Session 2:</b> Publish Or Perish: The Future of Academic Publishing (Pre-registration Is Required)
08:00 - 08:30	Coffee Break at the entrance			
08:30 - 09:30	<b>Public Health Oral: Modelling - Health Economics Cost Effectiveness</b>	<b>Basic Science Oral: Regulation of Gene Expression</b>	<b>Clinical Research Oral: Screening, diagnosis, and management of HPV-related non-cervical anogenital cancers</b>	<b>Early Career Researchers Oral Abstracts Session and Presentation Awards</b>
09:30 - 09:45	Hall Change Break			
09:45 - 10:45	<b>Public Health Oral: Health Economics - Modelling Impact</b>	<b>Basic Science Oral: Taxonomy, Structure, Microbiome</b>	<b>Clinical Research Oral: Diagnosis and management of HPV-related oropharyngeal, head and neck cancer and cutaneous lesions</b>	<b>Special Interest Satellite Symposium:</b> New Guidelines for Validation of HPV Assays Usable in Cervical Cancer Screening
10:45 - 11:00	Hall Change Break			
11:00 - 12:30	<b>IPVC Plenary Session 2:</b> HPV Vaccination			
12:30 - 12:45	Hall Change Break			
12:45 - 14:15		<b>Industry Sponsored Symposium 3</b> <i>not included in main event CME/CPD</i>		
14:15 - 14:45	<b>Hilleman Award</b> <i>not included in main event CME/CPD</i>			
14:45 - 16:15		<b>Industry Sponsored Symposium 4</b> <i>not included in main event CME/CPD</i>		
16:15 - 16:45	<b>Poster Discussions &amp; Networking in the Exhibition</b>			
16:45 - 18:15	<b>Public Health Oral: Screening for HPV-related Disease: Implementation, Evaluation and Impact (Self-Sampling related)</b>	<b>Basic Science Oral: Virus host interactions combined with life cycle - I</b>	<b>Clinical Research Oral: Self-sampling and new cervical screening technologies</b>	<b>Special Interest Satellite Symposium:</b> Current Evidence for Safety Profile of The HPV Vaccines

## Thursday, April 20, 2023

	Hall A	Hall B	Hall C	Hall D
	<i>The sessions in these halls will be held mainly in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
07:00 - 07:30				<b>Early Career Researchers Breakfast Session 3:</b> How To Pitch Your Research in 1 Minute: A Networking Opportunity (Pre-registration Is Required)
07:30 - 08:30		<b>Industry Sponsored Breakfast Session 3</b> <i>not included in main event CME/CPD</i>	<b>Industry Sponsored Breakfast Session 4</b> <i>not included in main event CME/CPD</i>	
08:30 - 10:00	<b>IPVC Plenary Session 3:</b> Lessons Learned from Other Disease Control Programs Such as HIV, Hepatitis B and Anal Cancer Control Approaches			
10:00 - 10:30	Coffee Break, Poster Viewing & Visit the Exhibition			
10:30 - 12:00	<b>Public Health Oral: Screening for HPV-related Disease: Implementation, Evaluation and Impact (long-term follow-up, etc)</b>	<b>Basic Science Oral: Virus host interactions combined with life cycle - II</b>	<b>Clinical Research Oral: Biomarkers for management of cervical lesions with an emphasis on methylation</b>	<b>Special Interest Satellite Symposium:</b> <i>Japanese Symposium</i> Immune Microenvironment for Cancer and Pre-cancerous Lesions, and Cancer Immune-Therapy
12:00 - 12:30	Coffee Break, Visit the Exhibition for Poster Viewing			
12:30 - 14:00		<b>Industry Sponsored Symposium 6a</b> <i>not included in main event CME/CPD</i>	<b>Industry Sponsored Symposium 6b</b> <i>not included in main event CME/CPD</i>	Break, Poster Viewing & Visit the Exhibition
14:00 - 14:30	Coffee Break, Visit the Exhibition for Poster Viewing			
14:30 - 16:00	<b>Public Health Oral: Screening for HPV-related Disease: Implementation, Evaluation and Impact (others)</b>	<b>Basic Science Oral: Genomics</b>	<b>Clinical Research Oral: Biomarkers for management of cervical lesions with an emphasis on HPV DNA and mRNA detection</b>	<b>Special Interest Satellite Symposium:</b> HPV Integration, Gene Expression and Carcinogenesis
16:00 - 16:40		<b>HPV Awareness Day Campaign</b>	Coffee Break, Poster Viewing & Visit the Exhibition	
16:40 - 18:10	<b>IPVC Plenary Session 4:</b> Carcinogenesis of Cutaneous Papillomaviruses for Non-melanoma Skin Cancer Molecular and Immunological Aspects			
18:15 - 18:30	Break			
18:30 - 20:00	<b>Public Health Oral: Risk factors - cervix and anus</b>	<b>Basic Science Oral: Immunology &amp; Vaccines</b>	<b>Clinical Research Oral: Diagnostics for cervical lesions and considerations for management of immunocompromised populations</b>	<b>Special Interest Satellite Symposium:</b> Clinical, Biologic and Epidemiologic Evidence for Latency and Their Implications

## Friday, April 21, 2023

	Hall A	Hall B	Hall C	Hall D
	<i>The sessions in these halls will be held mainly in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
07:15 - 08:45				IPVS GA (Open to IPVS Members)
08:45 - 09:00	Break			
09:00 - 10:30	Public Health Oral: Vaccine Impact One Dose, etc.	Basic Science Oral: Carcinogenesis + 2 Animal Models	Clinical Research Oral: Prophylactic Vaccines – Clinical Aspects	Special Interest Satellite Symposium APAC HPV Coalition & AOGIN joint session
10:30 - 11:00	Coffee Break			
11:00 - 12:30	<b>IPVC Plenary Session 5: COVID-19 Effect on the WHO Elimination Plan for Cervical Cancer</b>			
12:30 - 13:30	Lunch Break			
13:30 - 15:00	Policy & Guidelines Changes session	Public Health Oral: Vaccine effectiveness, etc.	Clinical Research Oral: Screening, diagnosis and treatment of cervical precancer in low-resource settings	Public Health Oral: Other Public Health, Epidemiology and Implementation Science Research
15:00 - 15:15	Short Break			
15:15 - 16:15	Public Health Oral: Vaccination/Elimination/mix	Basic Science Oral: Gene expression II	Clinical Research Oral: Novel diagnostic and therapeutic approaches to treatment of HPV-related disease	<b>Special Interest Satellite Symposium:</b> HPV-Based Self-Collection for Cervix Screening: Implementation Lessons and Future Directions HPV Self-Sampling: Increasing Screening Uptake and Reducing Social Inequalities
16:15 - 16:30	Hall Change Break			
16:30 - 18:00	<b>Closing Ceremony and IPVC Plenary Session 6: The Future is Now</b>			
18:00 - 18:30	Farewell Networking Reception
