

Preliminary Program

Basic Science Track	Clinical Science Track	Public Health Track	Special Interest Satellite Symposium (SIS)
Plenary Session	IPV5 Special Session	Early Career Researchers	Networking Events
Interdisciplinary Workshop	Industry Sponsored Session		Tickets available for purchase during registration

Official Conference Time Zone: Eastern Daylight Time (EDT/UTC-4) - Washington D.C.
Updated as of March 19, 2023. The program remains subject to change.

On Demand Program

On-Demand Content Available on the Virtual Platform from April 15th, 2023	The On Demand Program includes pre-recorded content available in the Virtual Platform from Monday 17, 2023 until 3 months after the Conference dates. These sessions will have dedicated Q&A discussions during specified breaks onsite in Washington D.C.			
	<p>Special Interest Satellite Symposium: Anogenital HPV Infection in Pharmacologically Immunosuppressed Patients</p>	<p>Special Interest Satellite Symposium: Japanese Symposium Studies By Women's Researchers Aiming to Eliminate Cervico-Vaginal Cancer in Japan</p>	<p>Special Interest Satellite Symposium: Cervical Intraepithelial Neoplasia Grade 2 - Active Surveillance or Excisional Treatment?</p>	<p>Special Interest Satellite Symposium: HPV among Transgender and Gender Diverse Individuals: Understanding the Unique Needs of the Population</p>

Monday, April 17, 2023

	Ballroom C	207A	207B	206
	The sessions in these halls will be held in-person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.			The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.
08:00 - 09:30	Interdisciplinary Workshop 1: Epidemiology and Basic Science of HPV Infection and Related Diseases			
09:30 - 10:00	Coffee Break			
10:00 - 11:30	Interdisciplinary Workshop 2: HPV Cancer Prevention: From Basic Science to Real-World Benefits			
11:30 - 11:45	Hall change break			
11:45 - 13:15	Special Interest Satellite Symposium: Cervical Cancer Control in Latin America and the Caribbean- A Regional perspective PAHO/WHO Session	Special Interest Satellite Symposium: The Role of Digital Imaging in HPV-based Cervical Cancer Screening Programmes	Special Interest Satellite Symposium: Head and Neck Symposium: Can We Eliminate HPV-related Respiratory Papillomatosis?	
13:15 - 14:00	Coffee Break & Visit the Exhibition (Lunch may be purchased)			
14:00 - 15:30	Public Health Workshop 1: HPV Vaccination for Prevention of Cervical Cancer	Clinical Science Workshop 1: Recent Developments in Screening Programs for HPV-related Cancers	Basic Science Workshop 1: Natural History of HPV Infection and Cancer Development	
15:30 - 16:00	Coffee break & Visit the Exhibition			
16:00 - 17:30	Public Health Workshop 2: Cervical Cancer Screening	Clinical Science Workshop 2: Epidemiology of HPV-related Cancer and Pre-Cancer in the Vaccine Era	Basic Science Workshop 2: Carcinogenesis	
17:30 - 17:45	Short Break			
17:45 - 19:45	Early Career Researchers' Pre-Conference Networking Event (Pre-registration is Required)			

Tuesday, April 18, 2023

	Ballroom C	207A	207B	206
	The sessions in these halls will be held in-person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.			The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.
07:15 - 08:15	Special Interest Satellite Symposium: Therapeutic HPV Vaccines: Understanding Potential Public Health Value, Future Implementation Considerations, and Preferred Product Characteristics	Special Satellite Symposium: HPV Prevention, Screening, and Treatment Approaches for People Living with HIV	Special Interest Satellite Symposium: Global HPV Laboratory Network	Early Career Researchers Session: 1001 Ways to Become an HPV Researcher
8:15 - 8:30	Hall Change Break			
08:30 - 10:00	Public Health Workshop 3: Worldwide Issues in Cervical Cancer Control	Clinical Science Workshop 3: HPV Vaccines	Basic Science Workshop 3: Exploring Targets for Antivirals	
10:00 - 10:30	Coffee Break, Poster Discussion & Visit the Exhibition PT-Cepheid			
10:30 - 12:00	Public Health Workshop 4: HPV-Related Cancers Outside of the Cervix	Clinical Science Workshop 4: New Frontiers in Treatment of HPV-Related Cancers and Pre-Cancers	Basic Science Workshop 4: HPV Genomics and Evolution	
12:00 - 12:30	Coffee Break, Poster Viewing & Visit the Exhibition			
12:30 - 14:00	Industry Sponsored Symposium not included in main event CME/CPD			
14:00-14:30	Coffee Break, Poster Viewing & Visit the Exhibition			
14:30-16:00	Public Health Workshop 5: Equity in Cancer Prevention and Control	Clinical Science Workshop 5: Management of HPV-Related Disease in Special Populations	Basic Science Workshop 5: Tissue and Animal Models	
16:00 - 16:30	Coffee Break & Awareness & Advocacy Dialogues			
16:30 - 18:00	Opening Ceremony and Keynote Lecture: Rapid COVID-19 Vaccine Development and the Future of Vaccinology			
18:00 - 20:00	Welcome Reception (Open to All Participants)			

Wednesday, April 19, 2023

	Ballroom C	207A	207B	206
	<i>The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
07:00 - 08:00	Special Interest Satellite Symposium: Using Implementation Science To Accelerate and Improve HPV Vaccination	Special Interest Satellite Symposium: HPV Vaccine Introduction in LMIC: Key Factors in Global and National-Level Decision-Making, Implementation Lessons Learned, and Evidence for One-Dose Use	Special Interest Satellite Symposium: International Indigenous HPV Alliance for The Elimination of Cervical Cancer for Indigenous Peoples	Early Career Researchers Session 2: Publish Or Perish: The Future of Academic Publishing
08:00 - 08:15	Hall Change Break			
08:15 - 09:15	Public Health Oral: Public Health Oral: Modelling - Health Economics and Mathematical Modeling 1	Clinical Science Oral: Screening, diagnosis, and management of HPV-related non-cervical anogenital cancers	Basic Science Oral: Regulation of Gene Expression	Early Career Researchers Oral Abstracts Session and Presentation Awards
09:15 - 09:45	Coffee Break, Poster Discussions & Visit the Exhibition			
09:45 - 10:45	Public Health Oral: Vaccination 1	Clinical Science Oral: Diagnosis and management of HPV-related oropharyngeal, head and neck cancer and cutaneous lesions	Basic Science Oral: Taxonomy, Structure, Microbiome	Special Interest Satellite Symposium: New Guidelines for Validation of HPV Assays Usable in Cervical Cancer Screening
10:45 - 11:00	Hall Change Break			
11:00 - 12:30	Plenary Session 1: One-dose, New Prophylactic and Therapeutic Vaccines			
12:30 - 13:00	Hilleman Award <i>not included in main event CME/CPD</i>			
13:00 - 14:00	Lunch Break (can be purchased) & Networking in the Exhibition Area			
14:00 - 15:30	Special Interest Satellite Symposium: HPV-Based Self-Collection for Cervix Screening: Implementation Lessons and Future Directions HPV Self-Sampling: Increasing Screening Uptake and Reducing Social Inequalities	Special Interest Satellite Symposium: Blood-Based Screening Approaches for HPV-Associated Head and Neck Cancers	Special Interest Satellite Symposium: Clinical, Biologic and Epidemiologic Evidence for Latency and Their Implications	Special Interest Satellite Symposium: What is Needed to Implement Screen and Treat Using HPV DNA Testing in Low-and Well-Resourced Settings?
15:30 - 15:45	Hall Change Break			
15:45 - 16:45	Public Health Oral: Vaccination 3	Basic Science Oral: Gene expression II	Clinical Science Oral: Novel diagnostic and therapeutic approaches to treatment of HPV-related disease	
16:45 - 17:15	Meet the Exhibitors / Meet the Poster Presenter / Poster Viewing / Refreshments in the Exhibition Area			
17:15 - 18:45	Public Health Oral: Screening for HPV-related Disease 1	Special Interest Satellite Symposium: Current Evidence for Safety Profile of The HPV Vaccines	Clinical Science Oral: Self-sampling and new cervical screening technologies	Basic Science Oral: Virus host interactions combined with life cycle - I

Thursday, April 20, 2023

	Ballroom C	207A	207B	206
	<i>The sessions in these halls will be held in person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
07:00 - 07:30				
07:30 - 08:30		Industry Sponsored Breakfast Session <i>not included in main event CME/CPD</i>		Early Career Researchers Session 3: How To Pitch Your Research in 1 Minute: A Networking Opportunity
08:30 - 10:00	Plenary Session 2: Lessons Learned from Other Disease Control Programs Such as HIV, Hepatitis B and Anal Cancer Control Approaches			
10:00 - 10:30	Coffee Break, Poster Viewing, Visit the Exhibition & Awareness & Advocacy Dialogues			
10:30 - 12:00	Public Health Oral: Screening for HPV-related Disease 2	Clinical Science Oral: Biomarkers for management of cervical lesions with an emphasis on methylation	Basic Science Oral: Virus host interactions combined with life cycle -II	Special Interest Satellite Symposium: <i>Japanese Symposium</i> Immune Microenvironment for Cancer and Pre-cancerous Lesions, and Cancer Immune-Therapy
12:00 - 12:30	Coffee Break, Poster Viewing, & Visit the Exhibition (pre-recorded sessions Q&A)			
12:30 - 14:00	Industry Sponsored Symposium 6a <i>not included in main event CME/CPD</i>			
14:00 - 14:30	Coffee Break, Poster Discussion & Visit the Exhibition			
14:30 - 16:00	Public Health Oral: Vaccination 2	Basic Science Oral: Genomics	Clinical Science Oral: Biomarkers for management of cervical lesions with an emphasis on HPV DNA and mRNA detection	Special Interest Satellite Symposium: HPV Integration, Gene Expression and Carcinogenesis
16:00 - 16:40	Networking, Poster Viewing & Visit the Exhibition			
16:40 - 18:10	Plenary Session 3: Carcinogenesis of Cutaneous Papillomaviruses for Non-melanoma Skin Cancer Molecular and Immunological Aspects			
18:10 - 18:30	Hall Change Break			
18:30 - 20:00	IPVS General Assembly (Open to IPVS Members)			

Friday, April 21, 2023

	Ballroom C	207A	207B	206
	<i>The sessions in these halls will be held in-person from Washington DC. They will be also live-streamed to the IPVC virtual platform for online delegates to access them live during the slot and on-demand later on.</i>			<i>The sessions in this hall will be held in-person from Washington DC and will be recorded. The recordings will be available for viewing on demand via the IPVC virtual platform.</i>
08:00 - 09:30	Public Health Oral: Epidemiology & Risk factors	Basic Science Oral: Immunology & Vaccines	Clinical Science Oral: Diagnostics for cervical lesions and considerations for management of immunocompromised populations	
09:30 - 10:00	Coffee Break, Poster Viewing, Meet the Poster Presenter & Networking in the Exhibition Area			
10:00 - 11:30	Public Health Oral: Modelling - Health Economics and Mathematical Modeling	Clinical Science Oral: Prophylactic Vaccines – Clinical Aspects	Basic Science Oral: Carcinogenesis + 2 Animal Models	Special Interest Satellite Symposium APAC HPV Coalition & AOGIN joint session
11:30 - 11:45	Hall Change break			
11:45 - 13:15	Plenary Session 4: COVID-19 Effect on the WHO Elimination Plan for Cervical Cancer			
13:15 - 14:15	Lunch Break (can be purchased) & Networking in the Exhibition Area			
14:15 - 15:45	Global Policy Updates on HPV Vaccination , Cervical Cancer Screening, and the Possibility of Screening People Living with HIV for Anal Cancer	Clinical Science Oral: Screening, diagnosis and treatment of cervical precancer in low-resource settings	Public Health Oral: Other Public Health & Epidemiology	Public Health Oral: Screening for HPV-related Disease 3
15:45-16:00	Hall Change Break			
16:00 - 17:15	Closing Ceremony and Keynote Lectures: The Future is Now
