SPONSORED SYMPOSIUM 3

This session is not included in main conference CME/CPD credit

Hall Meeting room 113, 16:30-18:00
INDUSTRY LUNCH SYMPOSIUM ORGANIZED AND SUPPORTED BY: Roche

Information coming soon
THURSDAY, 26th MARCH 2020

SPONSORED SYMPOSIUM 4

ENHANCING PATIENT MANAGEMENT THROUGH BD ONCLARITY™ EXTENDED HPV GENOTYPING AND BD COR™ SYSTEM ADVANCED AUTOMATION

This session is not included in main conference CME/CPD credit

Hall Meeting room 114, 10:15-11:45
INDUSTRY LUNCH SYMPOSIUM ORGANIZED AND SUPPORTED BY: BD

CHAIR: Joakim Dillner, MD, PhD, Professor, Dept. of Laboratory Medicine, Karolinska Institutet, Stockholm, Sweden

10:15 – 11:00 HPV SCREENING AND GENOTYPING: FROM CONCEPT TO HIGH THROUGHPUT
Jesper Bonde, PhD, Senior Researcher, Dept. Pathology, Copenhagen University Hospital, Hvidovre, Denmark

11:00 – 11:45 THE ROLE OF EXTENDED GENOTYPING IN CERVICAL CANCER SCREENING
Thomas C. Wright, Jr. MD, Professor Emeritus, Columbia University, New York, USA

---

SPONSORED SYMPOSIUM 5

CONTINUOUS CHALLENGE IN CERVICAL CANCER SCREENING: BEYOND THE CURRENT HPV – DIAGNOSIS

This session is not included in main conference CME/CPD credit

Hall Meeting room 114, 13:00-14:30
INDUSTRY LUNCH SYMPOSIUM ORGANIZED AND SUPPORTED BY: Seegene

CHAIR: Xavier Bosch ICO, Spain

13:00 – 13:05 OPENING REMARKS

13:05 – 13:25 LONGITUDINAL STUDY OF HPV GENOTYPING; IMPORTANCE OF MULTIPLE INFECTIONS WITH TWO OR MORE HPVs
Hugo Sousa, IPO Portugal

13:25 – 13:45 NEW APPROACHES FOR HPV AND STI TESTING USING SELF-SAMPLES
Clementina Cocuzza, UNIMIB, Italy

13:45 – 14:05 VALIDATION OF SEEGENE USING SELF-SAMPLING DEVICES (VALHUDES STUDY)
Ina Benoy, AML, Belgium

14:05 – 14:30 PANEL DISCUSSION
