TUESDAY, 21st July 2020

SPONSORED SYMPOSIUM

Challenges of COVID-19 and Maintaining Continuity in the Science for HPV Prevention

This session is not included in main conference CME/CPD credit

This symposium will be available to view only during conference days (till 24th of July)

16:15-17:45 CET

SUPPORTED BY:

CHAIR: Nancy Durand, Sunnybrook Health Sciences Centre Associate Professor, University of Toronto, Toronto, Canada

16:15 – 16:18 WELCOME AND OVERVIEW
Nancy Durand, Sunnybrook Health Sciences Centre Associate Professor, University of Toronto, Toronto, Canada

16:18 – 16:28 CHALLENGES OF COVID-19 AND IMPACT ON HPV DISEASE AND VACCINATION
Nancy Durand, Sunnybrook Health Sciences Centre Associate Professor, University of Toronto, Toronto, Canada and Kenneth Alexander, Chief, Division of Pediatric Infectious Diseases Nemours Children’s Hospital Orlando, Florida, USA

16:28 – 16:33 ADDRESSING A GLOBAL NEED – HPV VACCINATION
Melvin Kohn Executive Director MSD Global Medical Affairs North Wales, Pennsylvania, USA

16:33 -16:43 MANUFACTURING & REGULATORY COMPLEXITIES OF VACCINES
Brent Kulik, Associate Director MSD Manufacturing Kenilworth, New Jersey, USA

Anna Giuliano, Dorothea Bennett Memorial – American Cancer Society (ACS) Clinical Research Professor Director, Center for Immunization, and Infection Research in Cancer (CIIRC) Moffitt Cancer Center Tampa, Florida, USA

16:53 – 17:03 REAL-WORLD & CLINICAL DATA IN MALES
Nancy Durand, Sunnybrook Health Sciences Centre Associate Professor, University of Toronto, Toronto, Canada

17:03-17:13 ELIMINATION – WHY MALES ARE AN IMPORTANT PIECE OF THE PUZZLE
Kenneth Alexander, Chief, Division of Pediatric Infectious Diseases Nemours Children’s Hospital Orlando, Florida, USA

17:13-17:40 LIVE Q&A SESSION
All faculty

17:40-17:45 CLOSE
WEDNESDAY, 22nd July 2020

SPONSORED SYMPOSIUM

CONTINUOUS CHALLENGE IN CERVICAL CANCER SCREENING: BEYOND THE CURRENT HPV – DIAGNOSIS

This session is not included in main conference CME/CPD credit

10:30-11:30 CET
SUPPORTED BY:

CHAIR: Xavier Bosch ICO, Spain

10:30 – 10:40 WELCOME AND OPENING REMARKS
Xavier Bosch ICO, Spain

10:40 – 11:00 LONGITUDINAL STUDY OF HPV GENOTYPING; IMPORTANCE OF MULTIPLE INFECTIONS WITH TWO OR MORE HPVs
Hugo Sousa, IPO Portugal

11:00 – 11:20 NEW APPROACHES FOR HPV AND STI TESTING USING SELF-SAMPLES
Clementina Cocuzza, UNIMIB, Italy

11:20 – 11:30 WRAP UP
Xavier Bosch ICO, Spain
WEDNESDAY, 22nd July 2020

SPONSORED SYMPOSIUM

RESHAPING CERVICAL CANCER SCREENING WITH LIFE-CHANGING TECHNOLOGIES

Reshaping Cervical Cancer Screening with Life-Changing Technologies

This session is not included in main conference CME/CPD credit

15:00-16:00 CET

SUPPORTED BY:

Abbott

15:00 – 15:20

The Alinity m HR HPV Assay: Design, analytical performance & integrated workflow with the Alinity m platform
Dr. Klara Abravaya, Senior Director Research & Development, Abbott Molecular Inc., Des Plaines, United States

15:20 – 15:30

Clinical validation of the Alinity m HR HPV assay according to International Consensus Guidelines
Dr. Anja Oštrbenk Valenčak, Analyst in Laboratory Biomedicine, Institute of Microbiology and Immunology, Faculty of Medicine, University of Ljubljana, Slovenia

15:30 – 15:45

The evolution of the clinical validation of HPV Assays – Alinity m HR HPV and genotyping
Dr. David. Hawkes, Director – Molecular Biology and Biochemistry, VCS Foundation, Carlton South, Victoria, Australia

15:45 – 15:55

“VALGENT framework” – Extended clinical performance evaluation of the Alinity m HR HPV assay
Dr. Anja Oštrbenk Valenčak, Analyst in Laboratory Biomedicine, Institute of Microbiology and Immunology, Faculty of Medicine, University of Ljubljana, Slovenia

15:55 – 16:00

Exploring extended HPV HPV genotyping for risk-based patient stratification
Dr. Anja Oštrbenk Valenčak, Analyst in Laboratory Biomedicine, Institute of Microbiology and Immunology, Faculty of Medicine, University of Ljubljana, Slovenia
THURSDAY, 23rd July 2020

SPONSORED SHORT LECTURE

Rationale for US FDA approval of 9vHPV vaccine for the prevention of oropharyngeal cancer

This session is not included in main conference CME/CPD credit

This symposium will be available to view only during conference days (from 21st till 24th of July)

SUPPORTED BY:

CHAIR: Anna R. Giuliano, PhD
Center for Immunization and Infection Research in Cancer, Moffitt Cancer Center, Tampa, FL, USA
